

Primary PE and Sports Premium

At **Phillimore Community Primary School**, we believe PE & sport play a significant role in helping develop healthy and active children, with the potential to change young people's lives for the better.

The school welcomed the Government's decision in June 2013 to provide extra funding to develop provision of Physical Education (PE) and Sport in primary schools. In PE we want to inspire children to participate in and enjoy physical education and sport. Through physical activity we aim to improve health and well-being, to promote active participation and develop high self-esteem and high expectations within every child.

Funding for schools is calculated by the number of primary aged pupils at the annual census in January of each year.

Evaluation of Spending 2018-19

Total Number of Pupils on Roll aged between 5 and 11 (2018-19)	355
Total Amount of Sports Premium Received	£19,550

At **Phillimore Community Primary School**, we have allocated the funding into three key areas of consideration: Physical Education, Healthy Active Lifestyles and Extra Curricular Sport.

Physical Education – amount spent **£8,550**

- *Increased confidence and competence for staff to deliver high quality PE and to extend their subject knowledge in Dance Gymnastics, Games, OAA by working alongside specialist teachers either from within school or outside providers*
- *Annual Dance Sharing provides inclusive opportunity for every pupil to perform with their class in front of the school*
- *Members of staff attended courses on Football, Inclusive PE, Maths of the Day, Cycling*

Healthy Active Lifestyles – amount spent **£3,480**

- *All pupils took part in termly fitness testing delivered by outside providers*
- *Data from fitness tests plus feedback from lunchtime staff and parents indicate increased levels of self-esteem and improved fitness levels. Links made with whole school improvement*
- *School Awarded Centre of Excellence in 2016 and Beacon status in 2018*

- Y4 and Y5 took part in healthy lifestyle workshops delivered by outside providers
- Provided numerous new opportunities to engage pupils and their families and raise profile of facilities close to school (Ice Sheffield, EISS, Ponds Forge) which parents can access
- Y5 Swimming Festival
- All KS2 pupils assessed for their bike ability and then provided with a structured programme to either improve or extend their abilities including Bike Ability
- All pupils took part in the Ten Day Active Travel Challenge including a whole school assembly on 'Clean Air'
- Pupils encouraged to run/walk a mile a day on the school circuit using the outdoor solar powered stop watch

Extra Curricular School Sports – amount spent **£7,520**

- The school was successful in gaining the Gold School Games Mark with over 100 attendances at lunchtime and after school sports clubs per week
- Member of Sports Partnership, Links providing opportunities for multi sport festivals for lower KS2 and KS1 pupils
- Pupils targeted to represent the school in a variety of competitions and festivals ranging from SEND, G&T, age, gender from all KS2 classes
- The school was successful in the following competitions during the year: Cheerleading, Athletics, Gymnastics, Football, Dance, Cycling, Sitting Volleyball, Cricket, Swimming, Ten Pin Bowling, Panathlon, Boccia, New Age Kurling, Rowing, Climbing

Future Plans

We plan to evaluate the impact of how we have used our Primary PE and Sport Premium allocation. If the impact is positive we will continue to use the money in a similar way to improve the quality of provision.

In the future, we plan to:

- Continue to provide and develop extra-curricular opportunities during after school and lunchtime
- Continue to fund extra-curricular costs for those children who are disadvantaged
- Provide further CPD opportunities for staff
- Seek opportunities to engage with the 2020 Olympic and Paralympic Games as they become available during the year
