Overview of PE Units of Work 2026/2027

Rationale: The overview mainly uses our online PE Scheme of Work: **GETSET4PE** https://www.getset4pe.co.uk/ If you haven't got a login, please ask for one. You are free to use your own planning if you prefer but please ensure I have a copy or know where to find it on the system and that it includes LOs, success criteria and assessment. If any of the Dance themes with a cross curricular link are out of date or you are not using the GetSet4PE themes, please let me know. Our annual Dance Share will be held in July.

The overview below can be flexible and reflect local/national events/competitions. However, it is important that over the year, all classes follow the overview to ensure we deliver a broad and balanced curriculum which is on the school website for parents/carers/OFSTED to view. It is also important to follow the new National Curriculum and deliver an understanding of healthy active lifestyles, British values and SMSC education through PE lessons. These skills (sometimes referred to as 'soft skills') should also assist with whole school embedding of our core values (ready to learn, respectful, kindness) and include: confidence, perseverance, creativity, ability to listen, communication, leadership, ability to solve problems, working with others and all the Secrets of Success.
